2024 Internships

Anderson & Labovitz, LLC is seeking student interns for both its Civil Litigation and Estates & Trusts practice groups.

- The **Civil Litigation** internship focuses on contract disputes, business torts, defamation and real estate litigation
- The **Estates & Trusts** internship focuses on estate planning, estate & trust administration and estate & trust litigation

Our paid internships will provide students with an opportunity to gain first-hand experience in the above practice areas; shadow and assist supervising attorneys in court, depositions, conferences and client meetings; and learn about Western Pennsylvania court systems. Interns will be conducting work that is typical of entry-level attorneys, including conducting legal research; drafting pleadings, discovery, briefs and letters; and assisting attorneys with trial preparation.

The Spring & Summer 2024 internships will be conducted over twelve (12) weeks per semester. Spring will begin in February and conclude at the end of April; Summer will begin at the end of May and go through the middle of August. Positions are in-person at our office in downtown Pittsburgh and are based on a part-time, 20-hour work week. The positions are paid with no benefits.

Qualifications

- 2L or 3L (as of Fall 2023)
- Excellent research, analysis and writing skills
- Ability to work on-site 20 hours plus, per week
