2025 Internships

Anderson & Labovitz, LLC is seeking student interns for both its Estates & Trusts and Civil Litigation practice groups.

- The **Estates & Trusts** internship focuses on estate planning, estate & trust administration and estate & trust litigation
- The **Civil Litigation** internship focuses on contract disputes, business torts, defamation and real estate litigation

Our paid internships will provide students with an opportunity to gain first-hand experience in the above practice areas; shadow and assist supervising attorneys in court, depositions, conferences and client meetings; and learn about Pennsylvania court systems. Interns will be conducting work that is typical of entry-level attorneys, including conducting legal research; drafting pleadings, discovery, briefs and letters; and assisting attorneys with trial preparation.

The Summer 2025 internships will be conducted over twelve (12) weeks per semester. Summer will begin at the end of May and go through the middle of August. Positions are in-person at our office in downtown Pittsburgh.

Qualifications

- Rising 2L and 3L
- Excellent research, analysis and writing skills
